Dear Sirs,

M. V. "Athelsultan".

We have this morning received a letter from the  
Owners reading as follows, namely:-

"Will you kindly send a letter to Lloyd's  
Register in London authorising them to  
hand the Certificates of the above vessel  
direct to us so that we can post them to

You might kindly let us know whether you will  
arrange for delivery of the Certificates in accordance  
with the Owners' wishes.

We are,

Yours faithfully,
