Dear Sirs,

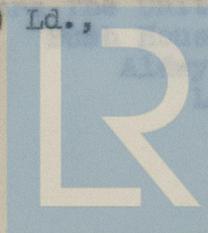

I am in receipt of your letter of yesterday's date respecting the certificates for the motor vessel "ATHELSULTAN", and with regard thereto I beg to acquaint you that a similar request has been received from the Owners, so that I conclude it will be in order for the certificates to be handed to them as desired. As the matter is urgent, I shall conclude that you are in agreement with this course unless I hear from you by telegram to-morrow morning.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
