

COPY FOR THE SECTY, LONDON,

August 7, 1916.

Dear Sirs:-

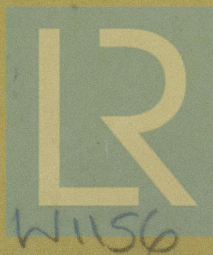

I am favored with your letter of the 4th instant regarding the arrangement of Bulkheads in the two new vessels, Nos. 165 and 166 which are being built for you by the Bethlehem Steel Co., at their Maryland Shipbuilding Plant, and with regard thereto I have to state that your proposal to omit the two intermediate Water tight Bulkheads will be approved, subject to a suitable notation being made in the Register Book regarding the omission of the Bulkheads in question.

Yours truly,

Ore Steamship Corporation,
111 Broadway, N. Y. City.

Assistant to the Chief Surveyor,
