Dear Sirs,

9th October, 1942.

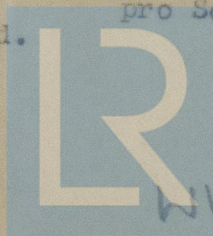

Reverting to my letter of the 25th July last respecting the motorship "SIAM II", I beg to inform you I am now in receipt of an airgraph letter from Lloyd's Agents at Mombasa to the effect that they arranged for a surveyor to examine the generators of this vessel and that he was able to give a satisfactory report.

They state that their Agency fee and cost of telegram amount to £1. 5. 4. and I shall be obliged if you will be agreeable to settle the enclosed account for this amount.

I am, Dear Sirs,  
Yours faithfully,
