# GLASGOW REPORT No. 55326

LIST OF SPARE PARTS TO BE SUPPLIED WITH FOUR K361 ENGINES:

1 Cylinder Cover complete with fuel valve liner, studs and nuts.

✓ 1 Piston complete with gudgeon pin.

1 Cylinder Liner.

6 Gudgeon Pins.

✓ 6 Top end bearings with bolts, nuts and shims.

✓ 6 Bottom end bearings with bolts, nuts and shims.

✓ 6 Sets of piston rings for six pistons.

✓ 4 Piston rings for scavenge pump.

✓ 2 Scraper rings.

1 Pair main bearings.

✓ 6 Fuel valves complete

✓ 6 Fuel valve needles with liners and seats

✓ 6   "   " atomisers.

✓ 6   "   " sprayers.

✓ 6   "   " sprayer nuts.

✓ 2 Starting Valves complete.

1 Safety Valve complete.

3 Fuel Pump plungers with liners.

6   "   " delivery valves.

2   "   " suction valves with seats.

6   "   " regulating valves and seats.

1   "   " regulating yoke.

1   "   " lifting valve .

1   "   " lever and bush.

3   "   "   " roller bearings.

3   "   "   " pins.

3   "   "   " pressure washers.

6   "   "   " regulating screws and catchers.

1 Length of fuel pipe with unions.

✓ 16 Valve plates for scavenging pump.

1 Valve complete for scavenging pump.

48 Plates for same.

2 Cartridges for lubricating oil filters.

W1158-0176-2

√ 1 Set of studs and nuts for one cylinder cover.

√ 2 Studs and nuts for main bearings.

6 Ebonite cones for air receiver valves, large.

6   "   "   "   "   "   "   small.

28 Sight glasses for lubricator.

2 Piston cooling pipes.

6 Springs for Starting Valves.

12   "   "   fuel pump plungers.

12   "   "   "   valve needles.

12   "   "   "   pump suction valves.

12   "   "   "   "   delivery   "

12   "   "   "   "   lifting   "

12   "   "   "   "   regulating "

12   "   "   "   "   "   yoke.

2   "   "   governors.

2   "   "   scavenging pump gland.

√ 6   "   "   air admittance valve.

2 Sets of rubber joints for one engine.

2 Thermometers for exhaust outlets.

2   "   "   piston cooling outlets.

Assortment of copper and fibre gaskets .... about 300.

      "   "   studs and bolts ....   "   120.

      "   "   nuts ....   "   125.
