

PUMPING ARRANGEMENT Endorsement.

Shipbuilders: Messrs. *Chas. Connell & Co Ltd* Yard No. *424*
 Engineers: Messrs. Engine No.
 Owners: Messrs.

It is submitted that the plan of *General*
 Pumping Arrangement

merit approval, provided the arrangements be as
 shown and amended on the plan and the remaining
 requirements of Sections 20 and 34 of the Rules (1986-7.)
 be complied with so far as they are applicable.

*A plan of oil fuel piping arrangement should
 be submitted.*

*The surveyors should be requested, in future cases,
 to forward the plan of profile for reference
 when dealing with the plan of general pumping
 arrangement. In the absence of this plan it is
 concluded that a watertight bulkhead is fitted
 at frame 2038, accordingly provision should be
 made for the drainage of No 4 hold as now
 indicated on the plan.*

*With reference to the pencil notes on the plan
 regarding an overflow to the forepeak tanks, the
 surveyors should arrange with the firm for the
 overflow pipe to be fitted at a suitable height*
