VESSEL'S NAME ST. MARGARET

Rpt. No. 1501

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classification Committee.

H Dear Sir,

I have to acquaint you that reports have recently been received on the steamer "ST. MARGARET", from which it appears that to complete the Special Survey No.1 Nos.1, 2, 3 and 4 double bottom tanks require to be tested.

I enclose a copy of a letter recently received from the Owners in regard to this matter, and I shall be glad if you will give the matter the necessary attention.

I think it well to add that the Special Survey has been carried out as regards the machinery, and that records of "ELMC 9,40" and "BS.3,42" have been assigned.

I am, Dear Sir,
Yours faithfully,

Clerk to the
Classification Committee.

A. W. Eaglesome Esq.,
RIO DE JANEIRO.
