

4th March, 1942.  
WOKINGHAM COPY.

Dear Sirs,  
I duly received your letter of the 27th ultimo  
concerning the boiler tube trouble you are experiencing  
in the case of your steamer "ST. MARGARET".  
I am sorry that the Committee will be pleased to give

H.

5th March, 1942.

Dear Sirs,

I am in receipt of your telegram today respecting the steamers "PENOLVER" and "ST. MARGARET", and in compliance with your request I enclose the deferred reports on the latter vessel.

I think it well to add that the vessel has been under survey at Bristol recently for boiler repairs and it is concluded that the Surveyors have advised you of any outstanding requirements.

With regard to the "PENOLVER", I enclose for your information and guidance Newport News report No.5474, which has recently come to hand on this vessel.

I am, Dear Sirs,  
Yours faithfully,

The Surveyors,

CARDIFF.
