

Francol

Hull Rpt No. 30,303.

(CERTIFICATE " B ").

of HULL,

19th. December. 1917.

W.R.M. Aspinall, F.L. Sturgeon, & R. Wright,

have surveyed during construction the HULL, Engines, Boilers, and auxiliary machinery of the R.F.A. "FRANCOL", built by Messrs. Fairies Shipbuilding & Engineering Co., Ltd., of Hull, and that the hull, machinery, Electric Light, and other equipment, have been constructed in accordance with the requirements of Lloyd's Register of Shipping, and that all materials and workmanship are good, and the undersigned will recommend that the vessel be classed with Lloyd's Register of Shipping as follows:- 100.A.1. "For Government Service", "Carrying petroleum in bulk", fitted for oil fuel F.P. above 150° F.

The whole of the work and tests covered by the specifications and drawings, as well as the alterations and additions subsequently approved by the admiralty, have been carried out and completed to the satisfaction of the undersigned.

The Admiralty officers are responsible for the stipulations of the contract having been complied with so far as

Length	Water Capacity
0	48 Tons
