Received from Chief Ship Surveyor.....

VESSEL'S NAME CHRISTOS MARKETOS REPORT Beirut No. 8404

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

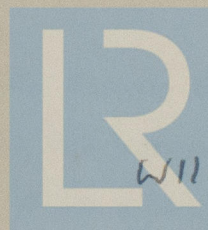

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

The Lloyd's Agent Surveyor at BEIRUT reports the vessel examined afloat on account of damage whilst discharging cargo and repairs effected to a tank top plate in No.2 hold.

A number of minor items reported damaged.

It is submitted the vessel appears worthy to remain as classed *without fresh record of survey.*
