Dear Sir,

I beg to acknowledge the receipt of your letter of the 7th instant from which it is noted that the R.F.A. "EBONOL", previously presumed to have been lost by enemy action, has now been recovered from the Japanese.

The Committee are pleased to comply with your request that her particulars should be reinserted in the Society's Register Book, but before giving instructions to this effect, they will be glad to learn what arrangements you are making for an overhaul so as to enable her to continue as a classed ship.

Yours faithfully,

Clerk to the
Classification Committee
