## Lloyd's Register of Shipping.

High Close, Wokingham, Berks.

9th June, 1944.

Dear Sirs,

S.

With reference to your letter of the 27th ultimo respecting your motorship "CAPE CLEAR", I regret to inform you that owing to transmission delays, my cablegram of the 25th ultimo did not reach Sydney until the 2nd instant.

Mr. Pratt, our Exclusive Surveyor at Whyalla, had already attended the ship at the request of your Adelaide Agents, but it is now found that he only carried out an Annual Freeboard Survey at Port Pirie.

No General Examination or Renewal Freeboard Survey was held, but a further cablegram has today been addressed to the Sydney Office requesting them to ascertain and cable whether, as the result of his examination, Mr. Pratt can recommend the issue of a Leadline Certificate valid for twelve months.

A further communication will be addressed to you on receipt of the reply.

I am, Dear Sirs,  
Yours faithfully,

Copies to F & Gls.
