Dear Sir,

M.S. "CAPE CLEAR".

We desire to acknowledge your memo of 25th instant enclosing copy of cable message despatched to Mr. McCowan, Chief Surveyor at Sydney, on 25th instant regarding this vessel. Permit us to say how much we appreciate your assistance to us with regard to this vessel's General Examination and Freeboard Renewal Survey. The terms of the message despatched suits the position exactly.

We also have cabled instructions to the Master to give your Surveyor every facility.

A cable message received this morning from overseas leads us to believe that the ship has now arrived at Adelaide. It is, therefore, fair to assume that the examination of vessel can proceed forthwith.
