Lithgows Ltd's Yard No.906, and I have to inform you that these plans will be approved, provided the arrangements be as shown and amended thereon, the remaining requirements of Sections 20 and 34 of the Rules (1938-9) be complied with so far as they are applicable, and the drainage of the steam pipes be to the satisfaction of the Surveyors.

I have to point out that the details of the composite boiler do not appear to have been received at this Office, and, accordingly, the size of safety valves for this boiler has not been checked.
