

"DUNEDIN STAR"

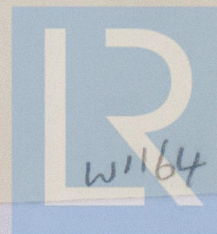

Rpt. Liv. No.118647

IT IS SUBMITTED before the extension of the watertight bulkheads receives consideration, the Surveyors be referred to the Ministry's Circular M.152376/42 paras. 4 & 5 and requested to state whether the number and arrangement of the upper 'tween deck bulkheads now fitted, and those existing in the fore body of the vessel, have been accepted by the Ministry.

They should furnish a sketch indicating the positions of the existing bulkheads and state whether they are satisfied as to their scantlings and closing arrangements of any openings in same.
