Dear Sir,

With reference to the fees chargeable in connexion with the fitting on board of the machinery and boilers of motor vessel "DUNEDIN STAR" constructed by Messrs. Cammell Laird & Co. Ltd., I shall be glad to know whether the statutory fee of 1/5th of total scale fee should be charged to Messrs. Cammell Laird & Co., or whether it is considered that a proportion of the fee already paid at Winterthur to the Society should be credited to this office on account of the services rendered at this port.

The fees charged at Winterthur on the 31st October and paid 2nd November as per the Surveyors report No. 132 now in our possession are as follows, viz:-

1st Entry fees	Fcs 150
Special	" 4073

I am, Dear Sir,

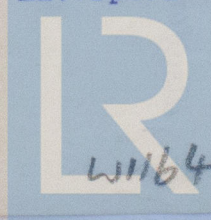

Yours faithfully,

D. M. Keith

Secretary to the
