Dear Sirs,

Description *angle frame as approved*

With reference to your First Entry Report No. 40707

on the Steam Trawler "AVANTURINE", I have to acquaint you that the portion of the new Register Book containing the records of this vessel will be due for press on Thursday, the 24th instant.

In the circumstances you should endeavour to obtain payment of the outstanding machinery fees, in order that full particulars of classification may appear in the new book.

I am, Dear Sirs,

This vessel appears to have been built with the approved plans, and it is submitted she is eligible to be registered.

Secretary.
