Dear Mr. Scott,

I beg to acknowledge receipt of your letter of the 16th instant regarding the case of the S.S. "AYMERIC", contents of which I have duly noted.

I very much regret to learn that the Committee are displeased at the manner in which my part of the survey was carried out and I need hardly say that I shall use every endeavour to avoid again incurring their displeasure.

I trust that in the future my work will give every cause for satisfaction although I may say that during the whole of my service I have always endeavoured to guard the interests of the Society and its Clients.

Yours faithfully,

G. H. Macdonald
