Dear Sirs,

"CORABELLA"

16 JUL 1942

Your letter of the 14th May addressed to our
Principals, Messrs. Saguenay Terminals Ltd. Montreal,
has been forwarded to us for attention.

We have taken up the matter with our
Superintendents, Messrs. T.A. Reed Ltd. Cardiff, and
it is proposed that general examination and freeboard
survey should be held on vessel's next return to U.K.

Regarding the tail-end shaft, the vessel
was last drydocked on 20th March, 1942 and the drawing
of the shaft on that date was not agree to by the
Ministry of War Transport. Our Superintendents suggest
that this be dealt with at the next drydocking.

Yours faithfully,
John Kilgour & Co. Ltd.,

Thos. St. Hill
Director.
