Dear Dr. Pickworth,

I have your letter of yesterday's date about the "CORABELLA", and you will appreciate I know that we cannot give any information about this ship to any outside party unless with the Owners' consent. Will you please write about this officially, and in doing so perhaps you will indicate that Major Thompson has the Owners' consent to this report being given to him?

With kind regards.

Yours sincerely,

A. Pickworth, Esq., D.Sc.,
SUNDERLAND.
