Trieste 14th December 1939.

Dear Sir,

With reference to the request contained in the classing letter of 24th November regarding Trieste Report No.12712 on the m.s. "DONA AURORA" regarding certificates for the essential motors fitted in the above vessel we have to inform you that we have already been in touch with the Builders on the subject and were informed by them that they had not yet received the documents in question from the Makers, Messrs. Thomas BThridge, of Odense. Another request is now being sent by Messrs. Cantieri Riuniti dell'Adriatico to this firm and, as soon as the desired documents will be available, same will be forwarded to you. We may add that we are in the same position also in the case of the sister vessel "DONA NATI", the first entry report for which will be forwarded in the course of a day or two.

I am, Dear Sir,

Yours faithfully,

(Sgd) L.Stupari

The Secretary,

LONDON.
