SECRET & CONFIDENTIAL.
ENCLOSURES.

13th July 1939.

Dear Sir,

M. I enclose for your information a copy of a letter which has today been addressed to the Society's Glasgow Surveyors regarding the approval of plans for the single screw steamer, 425 ft. in length, proposed to be built by Messrs. Lithgows Ltd. under the Emergency Shipbuilding Programme, together with a copy of each of the plans referred to therein.

In dealing with the plans due consideration has been given to the various arrangements made by you in respect of the limited use of sections, height of bulkheads, reduced length of cable, and arranging the scantlings for an increased draught of 18".

I am, Dear Sir,

Yours faithfully,

Secretary.
