# Lloyd's Register of Shipping.

Port Baltimore, Maryland

28th March, 1945

**This is to Certify** *that I have*

*Surveyed the* S. S. "EMPURE GOLD"

8027 gross tons of London, on account of drydocking,

*and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs recommended by me have been completed to my satisfaction, and that I have Recommended that she be continued as now classed with fresh record of survey 3,45, subject to 15 fathoms of cable being supplied at the earliest opportunity and to indented shell plating port and starboard being dealt with at the Owners' convenience being fit to carry* petroleum in bulk.

(Signed) Robert Little

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
