Dear Sirs,

Tankers building on Government Account.

We enclose herewith copy of a letter received to-day relative to Tankers building here. From this you will note that a change has been made and that your Society is now responsible for certification for the purpose of instalment payment on these vessels.

In this connection, we have submitted a claim this week for the third instalment on Number 325, viz., plating or equivalent work done, and for the second instalment on Number 326, viz., framing or equivalent work done, and we should be much obliged if you could arrange to issue the necessary certificates in support of these claims.

Yours faithfully,  
For FURNESS SHIPBUILDING CO. LTD.?

SECRETARY.
