LONDON:

Dear Sirs,

In reply to your letters of the 31st December:

S.S. "HOPETON" This vessel will be drydocked in the Tyne about the end of February when special survey of the Boilers will be undertaken.

M.S. "HOPERANGE" will discharge cargo at Garston and Swansea end of February/early March; thereafter she will be drydocked but we have not decided at what port this will be done. We shall advise you hereon in due course and the survey of the aft Donkey Boiler will be undertaken wherever she drydocks.

Yours faithfully,
For and on behalf of
ARTHUR STOTT & COMPANY LTD.

Arthur Stott
DIRECTOR.
