71, Fenchurch Street, E.C. 3.

28th December, 1934.

Dear Sirs,

S. S. "HOPEFUL".

E.

With reference to your letter of the 21st instant respecting the superheaters proposed for the above vessel, I have to acquaint you that the modification to the method of securing the inlet and outlet branches, as shown on the plan now forwarded by you, is in order.

One copy of the plan is returned herewith, one copy is being forwarded to the Society's Surveyors at Manchester for their information and guidance, and the remaining plan is being retained for reference.

The originally approved plan has been cancelled.

I am, Dear Sirs,

Yours faithfully,

Secretary.
