OUR REF. 6355M. SW/DD.

14th November, 1934.

Dear Sirs,

Messrs. Swan, Hunter & Wigham Richardsons Ltd.,
Job No. 109 - s.s. "Hopetor".

We enclose three prints each of the following drawings:

Arrangement Drawing No. MN.9880A
Header " " MA.6920
Element " " MB.9280

and shall be obliged if you will let us have your approval of these drawings.

With regard to the materials, we would say that the headers will be manufactured from forgings supplied by the Chesterfield Tube Co. having been made to your requirements, and the elements will be manufactured from tubing supplied by Messrs. Tubes Ltd., to be inspected at our Works.

The complete apparatus will be constructed in accordance with your usual conditions of survey and to your inspection at our Works.

Yours faithfully,

For THE SUPERHEATER COMPANY LTD.
