reference

Dear Mr. Scott,

I am in receipt of your letter of the 9th instant in regard to the S. S. "CITY OF STOCKHOLM", and note what you say.

I have spoken to Messrs. Barclay, Curle & Co's Accountant and he states that a cheque for the fees will be forwarded immediately the necessary Directors' signatures can be procured; for various reasons, this may take a few days. He will also arrange with The North British Diesel Engine Works for the prompt payment of the Machinery fees, and I would suggest that in the circumstances, the particulars of the class might be recorded as you may rely that all the fees will be paid within a very few days.

Yours faithfully,

P. L. Warlow
