

S.S. City of Stockholm.

The Engines & Boilers of this vessel have been removed, & replaced by new steam reciprocating engines & three Scotch Boilers. See HWC Rept No. 87896

Cochran Boiler No. 9105 originally fitted in above vessel has been fitted on board M.V. 'Storsten', (Glasgow report No. 48073) & the boiler report (Gls No 43796) transferred to Gls. report No. 48073.

It is not known whether the machinery & remaining donkey boiler ex 'City of Stockholm' have been fitted into another vessel.
