21st July, 1942.

Dear Sirs,

I duly received your report No.17278 on the steamer "EMPIRE BEAUMONT", but before submitting the case to the Committee, I shall be glad to learn whether the bottom in way of the boiler room tank has been cemented and whether hatch covers have been fitted at the 2nd deck.

In this connection it is thought well to refer to Section 32, Clause 1 (b) of the Rules, and my Circular letter of the 17th December 1940.

I am, Dear Sirs,
Yours faithfully,

pro Secretary.

The Surveyors,
MIDDLESBROUGH.
