PORT OF GLASGOW

3rd September, 1941.

2 plans enclosed.

C.S.S.

Dear Sirs,

I return herewith two copies of the plan, forwarded in triplicate with your letter of the 29th ultimo, shewing stern frame proposed for The Furness S.B. Co's Nos. 345/6, and have to state that the scantlings and arrangements as shewn and amended will be approved, provided they be carried out to your satisfaction.

The plan shews only those parts to be manufactured by Messrs. Dorman, Long & Co. A final plan should, therefore, be submitted by the Builders embodying also full details of the remaining parts of the structure.

One copy of the plan has been retained.

I am, Dear Sirs,
Yours faithfully,

pro Secretary.

The Surveyors,
MIDDLESBROUGH.
