

21st January, 1943.

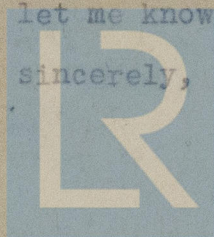

Dear Miss Gard'ner,

I have your note of the 19th, regarding the Sun S.B. Co's Yard No.231, "SEAKAY". This is a sister to Yard No.208, "STANVAC MELBOURNE", concerning which I sent you a precis of the correspondence on the 25th September, 1941. I also sent you on that occasion the office copies of approved plans which you subsequently returned.

I assume in these circumstances that Mr.Dykes will not require anything further, but if the office copies of plans are again required please let me know.

Yours sincerely,

Miss N. G. M. Gard'ner,  
WOKINGHAM.
