Enclosure.

21st February, 1936.

Dear Sir,

With reference to the enquiry contained in your letter of the 3rd instant, I have to inform you that no fee should be charged for your two visits to Dursley.

I enclose, for your information, a copy of a letter received from the Society's Grimsby Surveyors and shall be glad to know which of the five items therein still require to be attended to.

I am, Dear Sir,

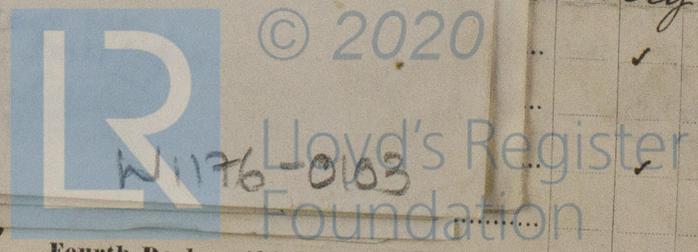

Yours faithfully,

Secretary.

Mr. J.W. Gwynne,
BRISTOL.

The survey for these engines has not yet been rendered, as the present amount of arranging the fees for engines up to each year has not been determined based on the 1933 agreed scale. The minimum inclusive fee is 25.5.0 per engine could be taken as the fee for each of these engines, as so far it appears the year's account will be considerably in excess.
