Dear Sirs,

m. v. "ASHANTI"

We enclose herewith copy of letter which we have received from Messrs. Mirrlees, Bickerton & Day, together with plan of a spare lubricating oil pump, which the Engine Makers propose to fit in the new engine for this vessel. The new engine will have an output of 350 BHP. Will you please tell us if you approve the suggested arrangements, and kindly return us the plan in due course.

Yours faithfully,

For T.E. EVANS & COMPANY LTD.

J.H. Evans

Marine Superintendent.

Dear Sirs,

I have the pleasure to acknowledge the receipt of your letter of the 17th inst.

in relation to the proposed purchase of the engine and boiler for the vessel "The ..."

and in reply to inform you that the same has been referred to the Chief Engineer Surveyor.

The Chief Engineer Surveyor has advised that the engine and boiler are not suitable for the vessel.

It is therefore suggested that you should consider the possibility of purchasing a different engine and boiler.

I am sure that you will appreciate the necessity of this advice.

Yours faithfully,

T. E. BAVIS
