Reference

Dear Sirs,

I have to acquaint you that the new Steamer
"BENARTY" (Messrs. Chas. Connell & Co's S.S. No. 405) has
left here for your port where it is intended to adjust
the donkey boiler safety valves in January 1926.

This item will complete the survey on the
machinery which will then be eligible for the record

* L.M.C. 1-26.

I am, Dear Sirs,

Yours faithfully,

S. C. Davis.

The Surveyors,

LEITH.
