Dear Sir,

M.

I have to acknowledge the receipt of your letter of today enclosing blue prints shewing the proposed arrangement of the spare tiller to be fitted in the motor ship "ARTHURTOWN", but I shall be glad if, in the first instance, you will be good enough to send a further sketch of the band brake to be fitted below the deck.

The plans sent with your letter are in the meantime being retained.

I am, Dear Sir,

Yours faithfully,

Secretary.
