No. 24880

Committee.

Enclosure.

21st October, 1936.

Dear Sirs,

I return herewith your report No.24880 on the electrical fittings of the M.V. "ARTHUR TOWN", Messrs. N.V. Scheepswerf Gebr. van der Werf's Yard No. 201, and I have to request that you will complete those items which have been omitted.

I shall be glad if you will state particulars of the propeller, what means are provided for circulating water through the oil cooler, and whether the auxiliary compressor is hand starting.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
ROTTERDAM.
