Dear Sir,

We have to acknowledge receipt of your letter of the 30th July in connection with the issue of duplicate certificates for items salvaged from the above vessel, and to inform you that Snr. Parreira Cruz, of Lagos, has not yet stated his views on the question of our expenses to and from Portimão, where the vessel foundered.

This gentleman is extremely vague and unbusiness like and we suggest that he should first state his consent to our survey in writing.

We shall, however, keep you informed of his decision in this case.

Yours faithfully

The Secretary
London.
