Dear Sirs,

M.S. "MAYGLEN"

I enclose a copy of a letter which has been received from Mr. Riddell, the Principal Surveyor for Canada, relating to the above.

In the first instance I shall be glad if you will arrange to examine the salvaged anchors, cables and shackles and report the markings thereon. You should also forward the markings on any machinery items salvaged and for which a certificate is likely to have been issued.

Yours faithfully,

The Surveyors,
