NEW YORK.

16th July, 1947.

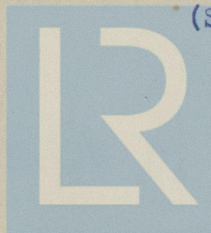

"C" Type Coasters  
M/V "MAYSPRING" and "MAYTHORNE"

Dear Sir,

With regard to your cablegram having reference to the torsional vibration characteristics of the above vessels, the Montreal Surveyors state that one of these vessels will be in Montreal sometime around the beginning of July, and that they hope to have the necessary torsionograph records taken then.

(Sgd) C. MACPHERSON.

The Secretary,  
LONDON.
