The Secretary,

LONDON.

Dear Sir,

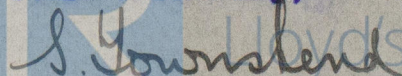

I beg to acquaint you that we have to-day forwarded you, under separate cover, copies of the amended plans approved in this office of Midship section and Longitudinal section and Plans, for Messrs. A.-B. Götaverken's Yard No.530.

A translated copy of the letter addressed to the Builders is enclosed herewith.

I may add that plans for this vessel were originally approved on the 5th November, 1937, but it is now intended that the vessel shall have a passenger certificate. The W.T. bulkheads are being carried to the weather deck and the structure of the tunnels is being reinforced on account of the extra head. No tonnage opening will be fitted in the Shelter Deck aft and the draft approved is as indicated in your letter dated the 2nd May last.

I am, Dear Sir,

Yours faithfully,
