2 Plans encl.

5th October, 1937.

Dear Sirs,

Messrs. Brown Bros. Ltd. - Plan of Tiller
Crosshead intended for Aktiebolaget Gotaverken's
No. 530.

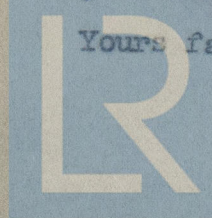

I return herewith two copies of the above plan submitted with your letter of the 1st instant and with regard thereto I have to inform you that the scantlings and arrangements as shewn thereon will be approved, provided they be carried out to your satisfaction and the Forging be tested as required by the Rules.

One copy of the plan should be forwarded to the Surveyors in whose district the Forging is to be made and they should be requested to forward the same to the Society's Head Office for transmission to the Gothenburg Surveyors when finished with.

The remaining copy of the plan has been retained in this Office for record, together with the plan of general arrangement of steering gear.

I am, Dear Sirs,
Yours faithfully,

The Surveyors,
LEITH.
