28th September, 1923.

Messrs. Lloyd's Register of Shipping,
Newcastle-on-Tyne.

Dear Sirs,

Contract No. 854 - Swan & Hunter's No. 1235.

We have to acknowledge receipt of your letter dated 27th instant, and note the proposal to dispense with the outer lower row stay tubes, and also to weld the inner end of the diamond blower tubes are approved.

We enclose herewith, for your information, print of boiler modified accordingly.

It will be noted in addition to the above modifications the rivetting in the manhole doubling has been slightly amended and the centres of furnaces increased in accordance with the Owners' wishes.

Yours faithfully,

For The Wallsend Slipway & Engineering Co.Ld.

(Sgd). A. Laing.
