

Lloyd's Register of Shipping,

201, Tower Building,

Liverpool, 3, 8th. April, 1941.

Dear Sir,

With reference to Liverpool First Entry Report No.115811 forwarded to-day on the motorship "EMPIRE STEEL", I have to acquaint you I am informed by Mr. Jackson, that as the steaming trials were very attenuated it was not possible to carry out the normal trials of the windlass, and of the main and secondary means of steering.

I am, Dear Sir,
Yours faithfully,

The Secretary,
LONDON.
