C.S.S.

19th December, 1940.

Dear Sir,

I am in receipt of your letter of the 17th instant, about Messrs. Cammell Laird & Co's tanker, Yard No. 1054, and I have to say that the statement of modifications to this vessel, forwarded by you, has been examined

It is considered that the Surveyors need not concern themselves with the fitting of the various items mentioned in the statement, but should confine themselves to seeing that, in carrying out these modifications, nothing is done to the structure of the ship to which they would necessarily be obliged to take exception.

I am, Dear Sir,  
Yours faithfully,

The Secretary,  
LIVERPOOL.
