16th February, 1940.

The Principal Surveyor,
Lloyds Register of Shipping,
Tower Building s,
Water Street,
LIVERPOOL.

Dear Sir,

V. Nos 1053/4.

We enclose plan in triplicate of the After End
Construction of the above vessels.

The scantlings indicated on this plan have been
based on those fitted in s.s. "Diloma", (Yard No. 1037)
adjusted as necessary to suit the limited list of steel
sections.

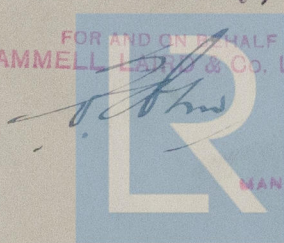

To avoid any delay we have ordered the material in
accordance with this plan.

It will be noted that the principal modifications
have been made in the vicinity of the Boiler Room where two
boilers are being fitted in lieu of one only in the s.s. "Diloma".

We shall be glad to have approval of the plan at your
earliest convenience.

Yours faithfully,

FOR AND ON BEHALF OF
CAMMELL LAIRD & CO. LIMITED
