SECRET & CONFIDENTIAL

14th November, 1939.

Dear Sir,

M. With reference to the plans approved for the  
Emergency Tankers Yard Nos. 1053/4 to be built by Messrs.  
Cammell, Laird & Co., I have to point out that as the  
unsupported span of the bottom longitudinals will be  
increased in way of the pump room it will be necessary  
for compensation to be provided, and I shall be glad  
if you will arrange for a sketch to be submitted showing  
the Builders' proposals in this respect.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

LIVERPOOL.
