Dear Sir,

We are about to proceed with the construction of two Oil Tankers of dimensions 460'0" B.P x 59'0" Mld. x 34'0" Mld, these being similar vessels to our No.1037 recently built.

We send herewith in triplicate prints of the Midship Section and Profile and Deck Plans for the latter vessel and will be glad if you will indicate the necessary alterations to scantlings to suit the reduced list of sections.

Yours faithfully,
