18th February, 1938.

Dear Sir,

S. With reference to Glasgow Report No.59157
on the Oil Engines Nos.264 and 265, made by Messrs.
British Auxiliaries, I have to acquaint you that a
report has come to hand from the Society's Surveyors
at Leith, from which it appears that this machinery
has been satisfactorily installed on board the Motorship
"KAHIKA", which vessel has today been classed #100A1,
With Freeboard, with notations of Lloyd's A & CP,
#LMC 2,38, C.L. Oil Eng.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,
GLASGOW.
