

COPY. GLASGOW

LONDON

2 plans enclosed.

3rd July, 1937

Dear Sirs,

Messrs. Brown Bros. Ltd. - Plan of Tiller Crosshead
for Messrs. Henry Robb's No.245

I return herewith two copies of the above plan submitted with your letter of the 24th ultimo and with regard thereto I have to inform you that the scantlings and arrangements as shown thereon will be approved, provided they be carried out to your satisfaction and the Forging be tested as required by the Rules.

One copy of the plan should be forwarded to the Surveyors in whose district the forging is to be made.

The remaining copy of the plan has been retained in this Office for record, together with the plan of General Arrangement of Steering Gear.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
LEITH.
